Remarks

Opportunity is knocking and it's priced at \$50,000. Whether you're a seasoned investor or a buyer ready to roll up your sleeves and build sweat equity, this 2-bedroom ranch near the Warren/8 Mile border is your next move. Solid bones, hardwood floors waiting to shine, and a 2-car garage that most buyers in this price range can only dream about. The fenced backyard gives you privacy and potential, and the ranch layout makes updates straightforward, no stairs, no surprises, just a clean canvas ready for your vision. Kitchen and bath updates will unlock serious value in a market where turnkey homes are still commanding attention. This one is subject to probate court approval, so bring your best offer and your patience, the reward is worth it. Investors: Buy and hold. Fix and flip. The numbers work. Primary buyers: A little sweat equity now = a whole lot of home equity later. Opportunities like this don't stay available. Submit a fair offer and secure your next great investment!
